# Highlights

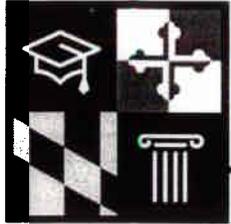

## Highlights

---

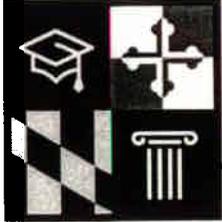

- Implemented the decentralized campus-based component of the Educational Assistance Grant to support an estimated 900 needy students.
- Implemented new Financial Aid Information System
  - Commission is proceeding with the multi-year research program identified in the 2002 Joint Chairmen's Report on "Financial Aid Data Collection and Analysis."
  - Commission is in year two of a six year schedule for implementation and analysis of student data for financial aid programs.

## Highlights (Continued)

---

- Analyzed Financial Aid Programs
  - Conducted a survey of over 3,600 recipients of Maryland Teacher Scholarships.
  - Currently evaluating the effectiveness of the Educational Excellence Award Program.
  - Conducting a survey and analysis on the impact of the Maryland Nursing Scholarships on recipients.

## Highlights (Continued)

---

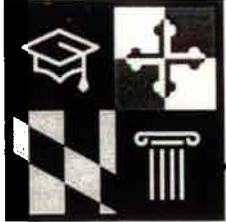

- Partnered with Community Colleges and some four-year institutions to provide financial aid outreach presentations to students across the State.
- Redesigned website to make it more user friendly for parents, students, and counselors.
- Implemented an on-line scholarship search function for State financial aid programs on the Commission's website.
- Streamlined the administration of legislative scholarships by providing FAFSA reports, applicant and recipient rosters on CD-Rom.

## Highlights (Continued)

---

- Implemented the Associate of Arts in Teaching (AAT) Elementary Education
  - First AAT graduates move efficiently to teacher education programs at Maryland public and independent four-year institutions.
- Adopted a new Nursing Articulation model for Maryland.
  - Improved students ability to transfer from licensed practical nursing certificate programs to associate degree registered nursing programs and from associate degree registered nursing programs to baccalaureate nursing degree programs.

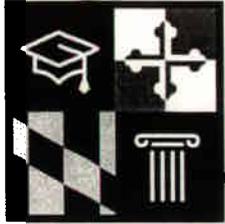

## Highlights (Continued)

---

- Implemented the new federal Title II Improving Teacher Quality State Grant program to competitively award grants to provide over \$1 million to higher education institutions for teacher and principal professional development.
- Instituted statewide technical assistance meetings for College Preparation Intervention Program and Improving Teacher Quality State Grant program to provide information to higher education and K-12 potential grant applicants.

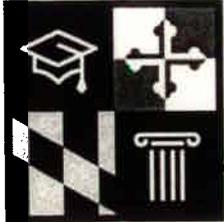

# Plans For the Coming Year

---

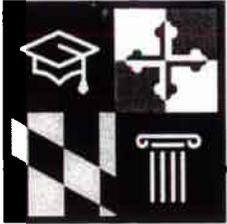

## Plans For the Coming Year

---

### **State Plan**

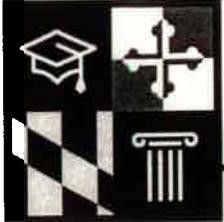

- The Commission plans to address a number of critical issues facing postsecondary education by rewriting the *State Plan for Postsecondary Education*.
- The Commission will work cooperatively with representatives from all segments of postsecondary education, executive and legislative branches, and the business community.

## Plans For the Coming Year (Continued)

---

- The State Plan will examine issues such as:
  - The role of need-based financial aid in providing access;
  - Best practices for linking tuition and financial aid policies;
  - The appropriate level of state investment in higher education; and
  - Innovative methods to enhance the capacity of postsecondary education to accommodate enrollment growth.

## Plans For the Coming Year (Continued)

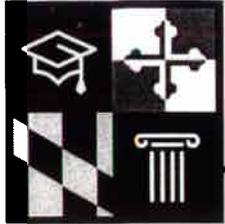

---

### **Analysis of Decentralized EAG Program**

- Evaluate and determine the effectiveness of this program.

### **Implementation of the Financial Aid Information System**

- Completely implement the unit record financial aid data collection process for all public institutions.
- All state-aided independent institutions will submit student based enrollment and degree data while the independent pilot institutions will submit student based financial aid data.

## Plans For the Coming Year (Continued)

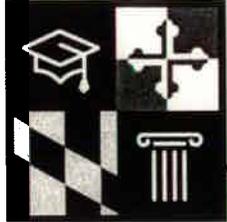

---

### **Transition to New Hardware Platform**

- Begin redesign and rewrite of the State Student Financial Aid System and the Commission's Higher Education Information Systems, which were developed in the 1980s, to current levels of technology and system design.

### **Billing Roster Processing**

- Pilot the electronic billing roster process which will automate verification of student award eligibility.
  - This will increase the efficiencies at both the Commission and the institutions.

## Plans For the Coming Year (Continued)

---

### **Teacher Education**

- Developing Associate of Arts in teaching degree programs for the following high demand secondary education teacher areas:
  - Chemistry;
  - Mathematics;
  - Physics; and
  - Spanish.
- Working with MSDE to perform two key studies regarding teacher education
  - Study of teacher capacity at Maryland higher education institutions; and
  - Study of professional development schools.

## Plans For the Coming Year (Continued)

---

### **Mission Review**

- Initiating mission statement review process for all public institutions.
